Bilingual Literacy Events:

The Canby Public Library has partnered with our school to offer several events to promote literacy in two languages. The library received a grant to promote an understanding between languages and cultures. The following events will be great opportunities to learn and share:

*Family Literacy Night: Exploring bilingualism with Portland State University professor Elena Aviles. PSU students will be here to read with families and share their experience studying at a university. We will celebrate our reading with pan dulce and milk too! Join us on Thursday, February 18th at 6:30pm in the Trost cafeteria.

*Family evening with bilingual author Amy Costales. She will tell stories and speak about the creative writing process. Join us at The Canby Public Library on Thursday, February 25 at 6:30pm!

****For Adults only:** There is a community wide book share with the book *Into the Beautiful North* by Louis Alberto Urrea. The book is available at the Canby Public Library in both English and Spanish. There will be a discussion at the Canby Public Library on Tuesday, February 23rd at 6:30pm led by Professor Elena Aviles.

Lost and Found:

Our lost and found clothing is now located under the stairs in the front of the school. Writing your child's name in their coat is a great idea and can help us find them much easier. The coats and clothing found around the school (mostly left on the playground) are placed there. The clothing belongs to children at our school. If you are in need of a coat, please let the office know. We have coat donations in the office.

Breakfast:

Just a reminder--breakfast is free everyday for every Trost student. We open the cafeteria at 8:30am (9:30am on Wednesdays) for breakfast each day.

Important Dates

2/11 Valentine's Day parties

2/11 PTA Movie Night
5:30pm Doors open
