Trost Bilingual Battle of the Books: Grades 3rd-6th

We are so excited to launch the 3rd annual bilingual battle of the books competition this week! Students in 3rd - 6th grade got to see and hear about the books for the battles this year. We also shared the guidelines for forming teams, which are due by October 14th. We have many copies of the book titles in the school library and the Canby Public Library has them too.

Conferences and Book Fair:

Parent-Teacher conferences are scheduled for the week of October 12th. Notes will be sent home soon with your appointment time. We work hard at trying to schedule times that work for families. Please make sure you are on time and ready for your conference. All students in grades 3rd-6th have one teacher for English and one teacher for Spanish. The teachers will work on scheduling times where you can speak with both your child's English teacher and Spanish teacher. Please do not hesitate to contact the teacher after the conference if you need information so you can support your child at school.

Our book fair will also take place October 12th-15th. Please make sure to stop by the library to visit the book fair! We buy more books for our school library with all profits we get from the book fair

Trost PTA:

The Trost PTA is working on an art fundraiser. Please watch your child's green homework folder for the information coming home on October 8th.

The Trost PTA has a survey for volunteers that will be in this week's homework folder and is due back by October 8th.

Also, the PTA is planning a fall family event for Friday, October 23rd. Save the date!!
